

“PLUTONE” Ashtray

Sheet code: POPP005

Drawing code: AI16100101

Revision: 23/01/2019

Designer:
Bellitalia Design Department

Product: Ashtray model “PLUTONE”, constituted by a concrete element and a removable stainless steel bin, equipped with an antitheft chain.

Dimensions: external diameter: 400 mm;
height: 685 mm;
total weight: 168 kg;
capacity: 0,7 litres.

Material: The ashtray can be manufactured using reconstituted natural marble stones, white granite or grey concrete conglomerate. Stainless steel internal bin.

Reinforcing: The ashtray is reinforced and fitted with bushes that permit its handling.

Finishing: The bollard's surface can be polished, to give the product a shiny effect, or bush-hammered, for a rough appearance. The surface is then covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products. All edges are rounded or made blunt. All stainless steel parts undergo a satin finish treatment.

Handling: Use appropriate equipment when handling.

Installation: Simply place on the flooring.
