

“ERACLEA BACK” Bench

Sheet code: PAAR117

Drawing code:

Revision: 10/01/2019

Designer:

Bellitalia Design Department

Product: Linear monolithic bench model “ERACLEA BACK”, composed by a frontal rectangular seat and by a backrest fastened by spacers to guarantee the water discharge from the seat.

Dimensions: length: 2200 mm;
width: 610 mm;
height: 812 mm;
total weight: 710 kg.

Material: The bench and the backrest can be manufactured using reconstituted natural marble stones or white granite conglomerate.

Reinforcing: The bench is reinforced with bushes and a double electric welded frame.

Finishing: All surfaces are sandblasted, except for the seating surface that can be polished, to give the product a shiny effect, or bush-hammered, for a rough appearance. Surfaces are then covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products. All edges are rounded or made blunt.

Handling: Use appropriate equipment when handling.

Installation: Simply place on the flooring.
